

# Lakeview Volleyball/ Put in Bay Battle at the Bay Volleyball Tournament

## COVID-19 SAFE PLAY GUIDELINES

In addition to following the guidelines issued by the State of Ohio for safe operations, Lakeview Volleyball will implement these guidelines for running our 2020 Put in Bay tournament.

- All players, participants, and guests must self-symptom check prior to coming to this event. Symptomatic individuals, and individuals with symptomatic household members, are NOT permitted to participate in our event. All Lakeview Volleyball staff members and guests must also follow these guidelines. Players will sign a waiver and statement attesting to this.
  - To avoid gathering of participants together at the tournament, registration, and payments will be primarily done in advance and online instead of on site. Teams will be given their court assignment and game time in advance and we will use staggered starting times to lessen people arriving at the same time.
  - The max. number of teams will be reduced from 150 to 100. This will allow for greater spacing of nets.
  - Whenever staff members are dealing with large groups of participants in close proximity (less than 6 feet), masks will be worn.
  - To ensure social distancing, only 6 participants at a time permitted if they need to come to the operations tent. A line with 6 foot spacing will be in place for those waiting.
  - Tables will be sanitized in the operations tent every 2 hours.
  - Portable bathrooms will have supplies to sanitize as needed and at least every 2 hours.
  - For sanitary reasons, no common water jugs will be provided by Lakeview Volleyball. Players will be encouraged to bring their own and purchase from the concession stand as needed
- Participants will be directed to follow the following safe practices while at McCann Field for this event.
- Volleyballs being used and players hands should be sanitized prior to each match. Supplies to do so be provided or will be available near each court.
  - When on the court players must avoid contact as much as possible. This includes high fives, handshakes, hugs...
  - Social distancing (6 feet) will be encouraged to be followed as much as possible.
  - Off the court prior and following matches, players should avoid congregating in large groups, keep social distancing and avoid contact with others not from their own household.
  - Teams and players will be directed to spread out the areas they camp between games to better social distance.
