

Weekly schedule is somewhat fluid as schedule conflict come in all the time. Please always check back the Monday morning before that week of play. Impacted teams will be contacted if changes are needed to be made on Monday or Tuesday of that week. Again, ALWAYS LOOK BACK AT THE SCHEDULE THE MONDAY BEFORE THAT WEEK OF PLAY!

Cells highlighted in yellow indicate one of the teams has a double header.

Any bye requests for July will need to be made by June 21st.
